

## *From the Quail Run Library*

Dear Quail Run Kindergarten Families,

One of the Quail Run Library goals is to help all students become lifelong readers. Book Grab Bags are available for check out to all Kindergarten families to help students have a variety of books available to listen to at home.

Getting started is simple. Fill out the attached form and bring it (or send it with your child) to the Quail Run Library. We will check out a grab bag of five books to your family. Each bag has a variety of books including fiction picture books, poetry collections and/or nonfiction titles for you to read to your child.

You can keep the books for two weeks. After you've read them together, simply return the bag with the five books to the Quail Run Library and check out another bag.

If you don't have time to come to the library you can also email me to request a bag. We'll check it out to you and then send it home with your child.

Happy Reading!
